

Keeping Our Guests Safe is Our Top Priority

OUR COVID-19 RESPONSE

SAFETY

To limit the potential for exposure, we are providing hand sanitizer for guests and have reduced shared common spaces and items. **We are following CDC requirements for disinfection & sanitation** of all public spaces and frequently touched surfaces.

STAFF

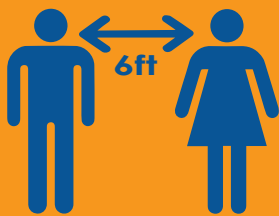

Employees are not allowed to report to work if feeling ill. Staff are required to wear facial coverings at all times, maintain social distancing, wash hands frequently and wear gloves if preparing food.

GUESTS

All guests **must wear facial coverings** and maintain social distancing of at least six feet from other parties unless in their rooms (unless eating or drinking).

OCCUPANCY

Capacity in common areas is limited to **50% occupancy** and staff and guests must stay **six feet** away from others.
